

DUI Program Checklist

- ❄️ **Share data** about the increases in binge drinking and DUIs.
- ❄️ **Remind your alcohol clients** of the consequences for violations. If they're monitored, they will be caught.
- ❄️ **Talk about alternatives** to drinking when it comes to dealing with money, family, temptations, and other holiday stress.
- ❄️ **Monitor, 24/7**, the ones you're most concerned about.
- ❄️ **Extend current monitoring periods** through January 1, when violations rise 105%.
- ❄️ **Talk to your SCRAM CAM® provider or program manager** about any additional needs you have to help manage your alcohol offenders during the holidays.
