RB

Remote Breath Pro is ideal for:
- Lower-risk clients
- Pretrial and probation
- Community corrections
- Domestic violence and family court cases
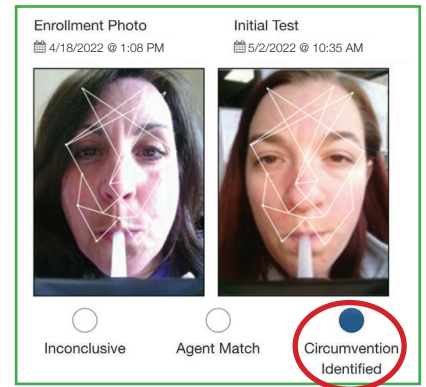

Portable and durable alcohol testing built for community corrections.

SCRAM Remote Breath® Pro provides portable breath alcohol monitoring ensuring clients comply with court orders. The easy-to-use device is ideal for low-risk clients or those who have earned less intensive testing and monitoring.

Enhanced Facial Guidance and Authentication Software

- Provides visual cues ensuring face is aligned during client testing
- Reduces need for multiple tests and increases client compliance
- Decreases officer photo manual matching by 90-95%
